

Born Hungry: Stories about Sweet Love, Bitter Greens and Losing My Religion

By Renia Carsillo

Genevieve Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As a child, Renia Carsillo never fit comfortably in her conservative Southern family. To compensate for her inability (or was it refusal?) to take on a traditional female role, she turned to the most traditional place of all, the kitchen, to nourish the never-sated hunger that ate away at her confidence. This book, told in vignettes of memories and recipes, is the story of how a Southern fundamentalist Christian girl grew into the woman her family always warned her about. Join Renia's journey down the red dirt roads of the rural South to the not-so-innocent pleasures of a Belgian chocolate shop. Along the way you'll meet a cast of Kentucky-raised farmers, Filipino doctors daughters, and one very special New England baker who helped transform this hungry daughter of Dixie into a feminist food warrior.

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
