Cole the Mole

By MR Peter Sean Cassidy

Createspace, United States, 2013. Paperback. Book Condition: New. MR Michael Elwin D Setiadi (illustrator). Large Print. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Cole the Mole is a lovely illustrated book chock-full of rhymes and assonance (near rhymes) that will make it a pleasure to read aloud. The friendly, bright-eyed protagonist helps kids learn prepositions and phrasal verbs of motion through his brave expedition, and the language, though clearly instructional in intent, is natural and unforced. The book, along with its accompanying section of mini-chants that use the same illustrations and offers a chance for readers to speak aloud, will be particularly appreciated by the parents of children who are growing up bilingually. This little adventure will help kids keep their prepositions straight while vicariously enjoying the courage of Cole.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
