Simon Pulse, 2005. Mass Market Paperback. Book Condition: New. 1416905219 192 p. Angelica Cookson Potts has the most divine life: Divine friends. Divine family. Divine housekeeper (who makes the most looovely custard tarts). True, her friends can be so perfect it hurts, and her mother is an annoyingly skinny ex-model type. But they are all so delightful that Angel forgives them their "perfections. " What is not so delightful is that Angel feels like a big wobbly whale whenever she is around said friends, family, and custard-tart creator. And with the school fashion show quickly approaching, Angel is determined to make Life Changes by starting a healthy new diet--sans tarts. Adam, the school hottie, is sure to be at the show. If Angel can just get Adam to notice her , she knows he'll fall hopelessly, madly, totally in love. And he 'll realize that there's more to Angelica Cookson Potts than her delightful friends, family, and custard tarts. In fact, Angelica is rather divine herself!.
