### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Line 51.--But Reverend Jenky. Our author here, in some measure deviating from his usual perspicuity, has left us in doubt whether the ternr Reverend is applied to the years or to the profession of the gentleman intended to be complimented. His long experience in the secret of the Critical Review and Buckingham House would well justify the former supposition; yet his early admission into Deacon s Orders will equally support the latter: our readers therefore must decide, while we can only sincerely exult in his Majesty s enjoyment of a man, whose whole...
