An innovative take on the vampire mythos, fusing erotic romance with dark fantasy. --Kirkus Reviews 2013 Readers Favorite book award finalist A millennia-long war between two immortal races is about to come to an end. Long ago, the Vampire Elite began capturing the immortals called the Amiti, attracted by their unique blood properties. Now most Amiti live in underground cells, forced to serve as vampires bloodstock. The few surviving free Amiti, preparing a final strike, have declared the Amiti Queen a traitor. Her execution makes possible the rise of a new Queen, her young daughter Arianna, who will inherit her mothers mystical powers. Working with the Keepers of the Key, Arianna may be able to eliminate the vampires, once and for all, from the face of the earth. The new Queen is the last hope to save her dying race, and shes ready to fight to the last drop of her blood. But the King of the Vampires has other plans. Based on an ancient Egyptian legend, Vampire Elite is the epic story of a bitter conflict between two immortal races--and the effect of that conflict on everyone living in its grip. The characters are driven to love and betrayal, vengeance and sacrifice in a world without easy black-and-white answers.
