Practical Psycho -Analysis: An Introductory Handbook (Classic Reprint)

By H Somerville

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Practical Psycho -Analysis: An Introductory Handbook This elementary work is published in the hope that it may be of some use to doctors and medical students who wish to learn something of psycho-analysis and who yet have not the time to read the larger works on the subject. Having myself had experience of the difficulties in the way of acquiring a moderate working knowledge of the science I have aimed at simplicity in presenting the subject-matter and, with this object in view, have adopted the plan of giving concrete clinical examples as far as possible instead of relying on abstract reasoning about principles. Some explanation of simple mental processes, and of what may be called the mechanism of production of the neuroses - the changes in the movements of mental processes resulting in the production of a neurosis, and of the manner in which these changes are brought about - is necessary. Such explanation will be much more easily understood by the reader after he becomes acquainted with details of the cases recorded in the...
