John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., A History of Political Thought: From the Middle Ages to the Renaissance: From the Middle Ages to the Renaissance, Janet Coleman, Janet Coleman's two volume history of European political theorizing, from the ancient Greeks to the Renaissance is the introduction which many have been waiting for. It treats some of the most influential writers who have been considered by educated Europeans down the centuries to have helped to construct their identity, their shared "languages of politics" about the principles and practices of good government, and the history of European philosophy.
