Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 276 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.The all-encompassing guide for church pianists! Today's church keyboardist faces many challenges: Pianists must prepare music quickly, work well with clergy, choral directors, singers, guitarists, as well as other musicians, and find the best sounds on an electric keyboard or the occasional pipe organ. The pianist is often expected to interpret chord symbols on a basic lyric sheet, play by ear, improvise, and be able to sight read a six part choral score. This book contains a very practical approach with inside tips on what to expect when playing a wedding, funeral, Catholic Mass, traditional or contemporary church service. It is written for both volunteer and professional pianists who desire to make the most of their musical gifts. The Complete Church Pianist draws upon the vast performing and teaching experience of author Debbie Denke along with additional input given by knowledgeable representatives from a wide variety of houses of worship. The essential CD or MP3 contains 41 (demonstration and full praise band) play-along tracks. Find the accompanying audio in the music section of under The Complete Church Pianist by Debbie Denke Companion CD (CreateSpace).
