By Dan Brooks

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The Ultimate Medicare Decision-Making formula is designed to simplify and educate readers about the seemingly complicated and confusing aspects of Medicare. It will also enable them to make swift and accurate decisions in regards to their health and prescription drug choices. Developed through thousands of hours working with new Medicare beneficiaries, this proprietary decision making process will allow you as the reader to select the right Medicare health plan for your individual health care needs, lifestyle, and budget. You'll find everything you need to know from when, where and how to apply for benefits, to the optimization of your plan from year to year. In addition to the book itself, readers will also have the ability to access audio-video tools as well as personal assistance via the internet. Finally, the consumer tips following each relevant chapter will help readers avoid common pitfalls associated with the enrollment, and plan selection of Medicare. Although designed primarily for the new Medicare enrollee, this material is relevant to anyone receiving benefits from Medicare.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
