Considerations on the Principal Events of the French Revolution

By G. Stael, Aurelian Craiutu

Liberty Fund Inc. Paperback. Book Condition: new. BRAND NEW, Considerations on the Principal Events of the French Revolution, G. Stael, Aurelian Craiutu, Few individuals have left as deep an influence on their time as did Germaine de Staël, one of the greatest intellectuals of her age, whose works have influenced entire cultures, eras, and disciplines. Soon after its publication, posthumously in 1818, "Considerations on the Principal Events of the French Revolution" became a classic of liberal thinking, making a deeply original contribution to an ongoing political and historical debate in early nineteenth-century France and Europe. As a representative of classical liberal opinion, de Staels voice, which Napoleon Bonaparte tried to silence by censorship and banishment, is a unique and important contribution to revolutionary historiography. Considerations is considered de Stael's magnum opus and sheds renewed light on the familiar figures and events of the Revolution, among them, the financier and statesman Jacques Necker, her father. Editor Aurelian Craiutu states that Considerations explores "the prerequisites of liberty, constitutionalism and rule of law, the necessary limits on power, the relation between social order and political order, the dependence of liberty on morality and religion, and the question of the institutional foundations of a...
