Wipf Stock Publishers, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: This book is an attempt to critically embrace a tradition--a culture--in which the author was formed and against which he has often found himself in resistance, using academic disciplines in which he is well versed but about which he is deeply suspicious. This book began to come together as a book in a series of lectures on the history of Western thought at Shenzhen University in the People's Republic of China, an opportunity to cultivate disciplined criticism that might afford a second look at traditions behind the West which are being embraced all too quickly. Endorsements: Combining erudition of a true scholar and insight of a gifted poet, professor Steven Schroeder offers his readers an adventurous pilgrimage of mind into the realms of cultural history, philosophy, and religion. This perfectly structured, consistent, and well-argued book is a good companion to anyone who wishes to transgress the boundaries of supposedly Western ideas and open new vistas to the territories that reflect the legacy of so many vanished civilizations. --Almantas Samalavicius Vilnius Gediminas Technical University and Vilnius University This new book by Steven Schroeder contains careful examinations of and insightful reflections on the intellectual history of the West. It not only provides us with guidance when journeying through the labyrinth of Western ideas, but it enables us to...
