Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.

(Rodger Hane)

STRONGER

Grand Central Publishing. Hardcover. Book Condition: New. Hardcover. 256 pages. Dimensions: 9.1in. x 5.7in. x 1.2in. When Jeff Bauman woke up on Tuesday, April 16th, 2013 in the Boston Medical Center, groggy from a series of lifesaving surgeries and missing his legs, the first thing he did was try to speak. When he realized he couldn't, he asked for a pad and paper and wrote down seven words: Saw the guy. Looked right at me, setting off one of the biggest manhunts in the country's history. Just thirty hours before, Jeff had been at the finish line of the 2013 Boston Marathon cheering on his girlfriend, Erin, when the first bomb went off at his feet. As he was rushed to the hospital, he realized he was severely injured and that he might die, but he didn't know that a photograph of him in a wheelchair was circulating throughout the world, making him the human face of the Boston Marathon bombing victims, or that what he'd seen would give the Boston police their most important breakthrough. Up until the marathon, Jeff had been a normal 27-year-old guy, looking forward to moving in with Erin and starting the next phase of their lives together. But when his life was turned upside down in ways he could never have fathomed, Jeff did not give up. Instead he faced his new circumstances with grace, humor, and a sense of purpose: he was determined, no matter what, to walk again. In **STRONGER**, Jeff describes the chaos and terror of the bombing itself and the ongoing FBI investigation in which he was a key witness. He takes us inside his grueling rehabilitation, and discusses his attempt to reconcile the world's admiration with his own guilt and frustration. And he tells of the courage of his fellow...
