Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Tuesday Morning:WatertownProject BluechipMajor Richard WestonHe read the report twice and then carefully set it back on his desk. Johns or Kohlson: One of the two had stolen samples of SS-V2765. It was not a question. No one else had the access, no one else the proximity or knowledge of where it was stored. Two of the virus, one each of the REX agents were missing. Enough to infect several million people, and that was just the initial infection. From there the infected would go on to infect even more, where it stopped was anyone s guess.Knowing it was one of the two did not solve the problem of how for him though: There should have been no way to get it out. Every area of the facility was under surveillance. There had to be more than just one of the two involved. From Complex C they were stripped down, showered: Out of the showers naked and into a locker room where they could retrieve their own personal clothing they had stripped out of that morning: Dressed, frisked, metal wanded and then allowed into the elevators that would take them six stories to the surface. This theft was not something either of them could have committed alone."Alice." He picked up the report from his desk. "I have a problem. A problem that requires your. Expertise. Two fold. First, all the guard and camera operators for C Complex are to be relieved of duty. You will personally interrogate them and find out which of them took a payoff to look the other way. Our boys, Johns and Kohlson. Both or one, smuggled out the virus." He paused....
